PLAY Part 2

You will hear an interview with Katrin, who has recently been on a language course abroad. For each question, choose the correct answer, A, B or C.

- 6 Why did Katrin decide to stay with a host family?
- A She thought she would have more independence.
 - B She thought other students would be staying with the family.
 - C She thought she would speak more English with them.
- 7 What does Katrin say about her stay with the family?
- A She didn't like sharing a room.
 - B She learnt a lot from them.
 - C She wanted to go home.
- 8 How did Katrin feel about the English classes?
- A The projects were boring.
 - B Her English got better.
 - C They studied too much grammar.
- 9 What does Katrin say about London?
- A It was warmer than she thought it would be.
 - B It was her first time going there to see the famous sights.
 - C She didn't enjoy it because it was cold.
- 10 What would Katrin say to teenagers who are worried about learning English abroad?
- A Don't worry. You'll get on well with most of the students.
 - B Don't worry. You can get a different host family if you're not happy.
 - C Don't worry. Your English won't improve much but you will be more confident.

PLAY Part 3

You will hear two friends, April and Nick, talking about careers. Listen to the conversation and decide whether the sentences are True (T) or False (F).

- 11 Nick has already thought about what he wants to do. T / F
- 12 Olive's mother is a journalist. T / F
- 13 April thinks that a job in tourism could have benefits. T / F
- 14 Nick doesn't think the advice in the book is very useful. T / F
- 15 April thinks happiness is more important than money T / F
