Part 1

School sports day

Yesterday was the sports day at my school. The weather was sunny, so we had it on the sports field. There were parents and children everywhere. The first race was the running race. Mrs Smith blew the whistle and the children ran backwards to the finish line. Reggie, in class 6TK, won. In the second race, the children had to balance an egg on a spoon and run to the finish line. Sam and Kai dropped their egg, so they were disqualified. In the last seconds, Doug, from 6WE, ran past Milly to win the race. The sack race was next. The children climbed into their bags and jumped to the finish line. Ruby won for 6RF, Flora came second and Ben came third. After that, it was the three-legged race. It was very funny. Gavin and David fell over and so did Kate and Susie. In the end, Jo and Sally won. They were both from 6TK. There was a close finish in the beanbag race. Callum was winning for most of the race, but in the last five metres, Yasmin from 6FM, ran past him to take first place. The last race was the parents' race, which was won by Ian's mum. At the end of the day, everyone went away happy and tired. It was a great day!
