Hi Josie,

Thanks for your email. It sounds like you had a very busy weekend!

I had a really good weekend, too.

On Saturday morning I went into town with Mum and we did the weekly shopping. Mum got back from work late on Friday and was really tired, so I thought I would help her with the shopping. It was a bit boring, but we went for a coffee at that new café in town afterwards.

In the afternoon, I met Sandie and Jim and we went ice-skating. It was such good fun! I fell over a few times, but I am getting better. I really like ice-skating.

In the evening, I went to Mari's house and we watched a film on TV. It was a detective film and we thought it was quite frightening. We ordered a pizza and we ate it while we were watching the film.

On Sunday, I saw my brother Mick and we took the dogs for a walk. It had been raining and the dogs got very dirty. So after the walk we had to give them a wash.

It was great!

Best wishes,

Patrick

In the photo on the left we can see a group of friends who are having a fun time. They are playing touch rugby. Perhaps they're friends from school because they all look the same age. They're wearing light clothes so perhaps it's summer. There are trees in the background and they are playing on grass, so they could be in a park.

They look very happy and they look like they are having a fun time together.

In this photo on the right we can see a group of people. Perhaps they're friends or perhaps they're flatmates. It might be a Sunday because they're all relaxing together. It looks like they're in the living room of their home. It's probably summer because they're wearing light clothes and there are glasses of juice on the table.

The man on the left and the girl on the right are texting on their phones. The other girl is doing something on a tablet and the other man is using a laptop.
