Reading

Read the survey results and answer the questions.

- 0 How many people ate really good food? 35
- 1 How many people didn't do exercise or sports?
- 2 How many people went to amazing places for the first time?
- 3 How many people made new friends?
- 4 How many people didn't go out much?
- 5 How many people didn't read any good books?

You're the Star emailed 100 readers and asked them what they did on their last holiday. Many people were surprised by the results. For example, a lot of people who said they had a boring holiday really had a great time according to the survey. Sometimes we focus too much on bad experiences and ignore the positive ones. Here are the results!

My last holiday was great (15 people)

OK (75 people)

not very good (10 people)

Circle Yes or No for each statement about your last holiday.

- 1 I ate great food.
Yes (35 people) No (65 people)
