Holiday homes

1
In the holidays, my family and I go to a little seaside apartment. It's my grandmother's apartment but we all use it.

2
It's got a kitchen, a living room, two bedrooms and a bathroom. My brother and I sleep in one bedroom and our grandmother sleeps in the other one. My parents sleep on the sofa in the living room.

3
My bedroom has got two beds, a wardrobe and a desk. We don't do any homework because it's the holidays, but we put the computer on the desk. We watch films or write emails to our friends. There's also a clock on the wall. It never says the correct time!

4
Because the apartment isn't very big, we haven't got lots of space for our things. We keep our bags under the beds and our clothes in the wardrobes. Everything else is on shelves or behind the sofa. It's important to be very organised!

5
Sometimes it's not very convenient because my parents are always in the living room and our things are all over the apartment. But we love it because we're on the beach in two minutes!
